

Materials needed:

- White cardboard
- Wooden stick
- Paper fastener
- Joggle eyes
- Foam Shapes
- Paint
- Markers
- Glue
- Scissors
- Hole punch
- Tissue paper (Optional)
- Pom pom (Optional)

How to make:

1. Cut the patterns provided and trace onto the white cardboard. Mark the dots to indicate the placement of paper fasteners. Cut out the shapes.
2. Punch the holes for paper fasteners.
3. Paint the pieces in bright colours as you wish.
4. When the paint is dry, joint the pieces together using paper fasteners. Glue the hat onto the head.
5. Glue on the joggle eyes.
6. Glue foam shapes to decorate the clown. Also use markers, paints to decorate the clown. Draw the mouth or cut a mouth shape from foam, glue a red foam circle as a nose, draw the collar and strips on clothing, glue the foam shapes onto the body.
7. If you have tissue paper, use it to decorate the edge of sleeves and pants. If you have red pom poms, glue them onto nose and top of the hat.
8. Glue or tape the wooden stick to the back of the clown.
9. Play with the clown, move the body parts to different poses for fun!
