

CALICO BAG WITH GLITTER IRON-ON

Adult's help & supervision needed

MATERIALS SUPPLIED IN THE KIT:

- CALICO BAGS
- GLITTER IRON-ON SHEETS

MATERIALS NEEDED BUT NOT SUPPLIED IN THE KIT:

- SCISSORS
- IRON & IRON BOARD
- BAKING PAPER
- MARKER

PROCEDURE:

1. Iron the calico bag and put aside.
2. Cut balloon and dragonfly designs from the template provided.
3. Work out which colours of glitter sheets you wish to use.
4. On the back of the glitter sheets, draw around the cut-out templates. When finished, remove the plastic film from the top of the glitter sheets.
5. With sharp scissors, cut out the templates from the glitter sheets.
6. Place carefully and flat the cut-out glitter shapes onto the calico bag with glitter side up. It doesn't matter if parts of the glitter shapes are overlapped.
7. Place a piece of baking paper over the entire design carefully.
8. ****The teacher shall do this step**** With a hot iron press firmly and gently down onto the baking paper which is covering the design, and gently move for approx. 40-60 seconds.
9. Very carefully remove the baking paper. Your design should be firmly attached to the calico bag now. If not, repeat step 7 – 9.
10. Allow to cool when finished.
