

## PAPER MACHE RABBIT MASK

### MATERIALS SUPPLIED IN THE KIT:

- PAPER MACHE RABBIT MASK
- FEATHERS
- COTTON WOOL BALLS
- POM POM
- JEWEL FLOWERS

### MATERIALS NEEDED BUT NOT SUPPLIED IN THE KIT:

- PVA GLUE
- MARKER
- SCISSORS

### PROCEDURE:

1. Use a marker, select the colour you like, to outline the eyes of the rabbit mask and draw two eyebrows.
2. Get two cotton wool balls, spread them out, stick onto one of the rabbit ears along the edge. Get another two cotton wool balls and do the same to the other ear.
3. Get two full length feathers, stick onto the mask. Start from the middle of two eyes and stretch out to two ears.
4. Get a different colour feather, cut in half, stick in the middle of two full length feathers, meet in the middle of the eyes.
5. Get a pink pom pom, glue onto the mask as the nose. Glue one cotton wool ball on each side of the nose.
6. Now, use the marker to draw whiskers on both side of the face.
7. If the elastic has not been attached to the mask yet, get a suitable length of elastic, each end goes through the hole on the left or right edge of the mask, knot up.
8. Wear your unique mask to celebrate Easter!
