1. Print the clothes template provided on paper. Cut out the clothes shapes.
2. Put the paper clothes shapes on felt squares. Cut out the felt clothes shapes. Use different colours of felt to cut different shapes of clothes.
3. Fold up the A3 white cardboard in half. After folded-up, the size should be 42 x 14.5cm.
4. Cut two 14cm lengths of wooden sticks. Glue onto the two ends of folded-up cardboard.
5. Cut a 42cm length of jute string. Along the folding line, go across the cardboard, glue the two ends onto the top of the two wooden sticks.
6. Glue 5 – 6 different felt clothes shapes in different colours onto the cardboard, between the two wooden sticks, below the jute string. Leave a bit of the top part of the clothes un-glued.
7. Clip the pegs on the string and attach to the clothes. Glue the back of the pegs onto the cardboard.
8. Decorate the clothes shapes with kindy glitz, or write something sweet to your Mum!
9. The folded-up white cardboard can self-stand. You can do the same work on the other side of the folded-up cardboard as well!
