

REVERSE APPLIQUE – POT OF FLOWER

MATERIALS SUPPLIED IN THE KIT:

FANCY ORIGAMI PAPER
ADHESIVE FOAM FLOWERS GLITTER
COVER PAPER A4 LIGHT GREEN OR LIME
COVER PAPER A4 BLACK
COVER PAPER A3 BLACK
CARTRIDGE PAPER A4
WHITE PENCIL

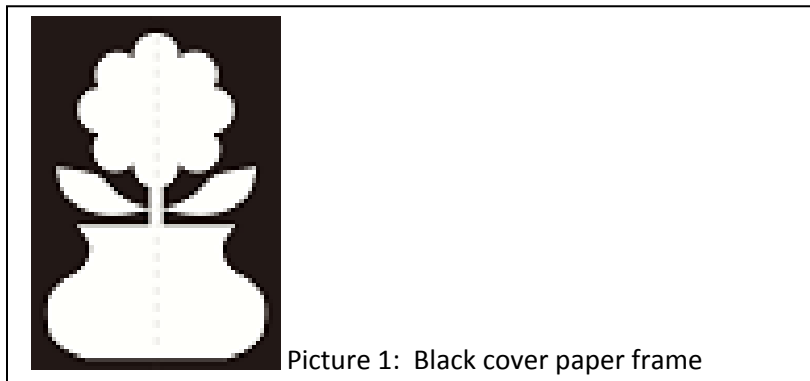

MATERIALS NEEDED BUT NOT SUPPLIED IN THE KIT:

SCISSORS
GLUE
BLACK MARKERS
COLOURED MARKERS
SOFT PASTELS
A4 white copy paper

PROCEDURE:

1. Print the flower and pot template provided on a piece of A4 white copy paper.
2. Put the white copy paper on top of the black A4 cover paper. Fold up along the middle line.
3. Cut along the shapes on the white paper so that the flower, leaf and pot are cut out from the black cover paper. Since the papers are folded up in half, you are just cutting half of the shapes on all layers of papers. Discard the white paper. Discard the black shapes cut out. Unfold the black cover. You'll see the rest of the A4 black cover paper with flower, leaf and pot shapes removed.

Picture 1: Black cover paper frame

4. Cut a piece of 12.5x21cm white cartridge paper. Draw patterns you like on it with soft pastels. Smudge with fingers. The colours must cover most of the centre part of the cartridge paper.

5. Cut two pieces of 9x4cm green cover paper. Glue on to the positions of the two leaves of the black cover paper frame. Cover the position of the stem.
6. Select a piece of fancy origami paper. Glue on to the position of the flower on the black cover paper frame.
7. Glue the piece of cartridge paper (with pastel drawing on) to the position of the pot on the black cover paper frame. The drawing should face down to the black cover paper.
8. Now the black cover paper frame looks like this:

9. Turn the black cover paper frame around and see on the other side of the paper, a beautiful pot of flower:

10. Glue a glitter foam flower in the centre of the flower shape.
11. Use white pencil, draw dots, to outline the shapes on the black cover paper
12. Glue the A4 black cover paper on to the A3 black cover paper.
13. It's done!
