

WOODEN PEN HOLDER

MATERIALS SUPPLIED IN THE KIT:

- WOODEN PEN HOLDER (LOOSE UNASSEMBLED)
- MINI BUTTONS
- CORRUGATED CIRCLES

MATERIALS NEEDED BUT NOT SUPPLIED IN THE KIT:

- SCISSORS
- GLUE (HAND CRAFT GLUE OR GLUE GUN)
- PAINT & PAINT BRUSHES
- METALLIC MARKERS

PROCEDURE:

1. The wooden pen holder is supplied in loose pieces. Build the pen holder up by putting the pieces together using rapid dry handcraft glue or glue gun (under adult's supervision).
2. After the glue dries, paint the surface of the pen holder in your desired colour.
3. After paint dries, glue corrugated circles to the centre and petals of both flowers. You may need to cut the circles to the right sizes. The picture shows you an example. You can design your own pattern.
4. Select mini buttons you like and glue onto the flowers in your designed patterns.
5. After the glue dries, outline your pattern with metallic markers to finish.
6. A beautiful pen holder is ready for use.
